This new acclaimed and popular book is the definitive and most comprehensive work available, the 'Bible of Scottish Castles'. It has more than 4,100 entries, 1,000 more than the last edition, covering all the castles, towers and fortified houses of Scotland, plus hundreds of mansions, historic houses, stately homes, and many other properties and lands.

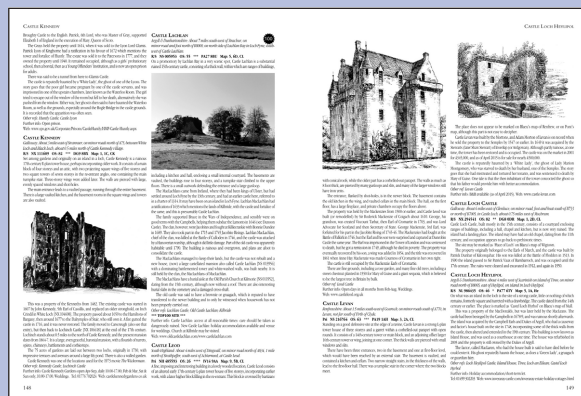

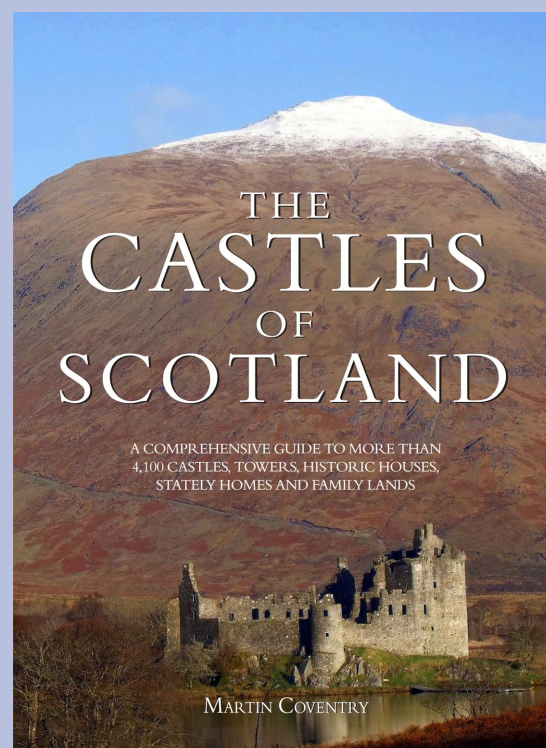

The deluxe hardback edition also has 64pp of (112) colour photos.

Arranged alphabetically, each entry has NGR and location, description, architecture and development, both inside and out, depictions on old maps, family and notable owners, history and sieges, ghosts and gruesome or amusing tales. Plus opening, websites and telephone numbers. Maps locate all the sites.

Comprehensive indexes include by site name and x-refs (10,000 entries) plus by clan/family name, as well as open to the public, accommodation providers, wedding venues, gardens, and ghosts and bogles.

Plus much much more. Printed in Scotland.
